Erica: I made formatting edits and changed a few other things. Most important is to add the Time Sensitive section upfront for the redelegations memos to OARM. I will call Deborah Ward Beard and send her drafts. Let me know if you have any questions and if you can move this up here today. Sorry for my delay; I've been catching up on the EO 13777 public meeting.

Thanks,
Sandy

Importance: High

Sandy,

I believe Tanja has been in touch with you about the attached delegation memos related to a petition response in Washington. We have used the same format for delegation memos for a petition response in Florida (also attached). Betsy S, OGC and the regions have reviewed these memos, and the draft petition denials.

Our plan is to route these memos and the draft denials jointly in a blue folder in the next day or two. Benita, Mike, and Sarah Greenwalt are aware that we are working on these and that we are requesting signature by mid-May to moot on-going litigation.

Can you please let us know asap if you see any problems with the format of these memos?
Thank you very much!
Erica
